

List of consultants and consultancy services

This list provides details of consultancy contracts the department let in 2010–11 and the value of the contract over the life of the contract. In line with annual reporting requirements, contracts with a value of less than \$10 000 have not been included.

Summary details are shown according to the executive and departmental structure in Part 1 of the DEEWR Annual Report 2010–11. Further information on the department's policy on selecting consultants and the summary of active consultants can be found in Part 5 of the annual report.

Key to list of consultancies in 2010–11

| Selection process | | Justification | |
|----------------------|--|---------------|---|
| Open Tender (OT) | A procurement procedure in which a request for tender is published inviting all businesses that satisfy the conditions for participation to submit tenders | A | Skills currently unavailable within agency |
| Select Tender (RS) | A procurement procedure in which the procuring agency selects which potential suppliers are invited to submit tenders in accordance with the mandatory procurement procedures | B | Need for specialised or professional skills |
| Direct Sourcing (SS) | A procurement process available only under certain defined circumstances in which an agency may contact a single potential supplier or suppliers of its choice and for which conditions for direct sourcing apply under the mandatory procurement procedures | C | Need for independent research or assessment |
