Inclusion and Professional Support Program (IPSP)
Grant Application Process 2013-2016

**REGION PROFILES —
INCLUSION SUPPORT AGENCY
SOUTH AUSTRALIA**

DESCRIPTION

The Region Profiles contain information relevant to Applicants submitting an application for funding as an Inclusion Support Agency, under the Inclusion and Professional Support Program (IPSP).

This document contains Region Profiles for each of the five Inclusion Support Agency (ISA) Regions in South Australia. This includes:

1. A list of the Statistical Area Level 2 areas that comprise each ISA Region.
2. Region Data, including:
 - **Funding for the Region**
 - The funding amount shown is the indicative funding available for 1 January to 31 December 2013. This period spans two financial years. As funding for the IPSP is indexed each financial year in line with any increase in the Commonwealth annual budget appropriation, the actual maximum funding available in 2013 will be the amount shown increased by the rate of indexation for the period 1 July to 31 December 2013.
 - The allocation for Flexible Support Funding will be advised to successful applicants in the Letter of Offer.
 - **Early childhood education and care services in the Region**
 - The number of eligible Child Care Benefit approved services based on DEEWR's Child Care Management System administrative data, December Quarter 2010 (the latest quarter for which data are available).
 - The number of eligible non Child Care Benefit approved services (may include Indigenous focused Budget Based Funded services) current as at December 2010 and based on DEEWR administrative data.
 - **Children in IPSP priority groups in the Region**
 - The number of children from IPSP priority groups enrolled in Child Care Benefit approved services based on DEEWR's *Early Childhood Education & Care Workforce Census*, May 2010.

Maps detailing the ISA Regions for South Australia and other ISA Regions are available from the DEEWR website at: www.deewr.gov.au/IPSPapplications

Each ISA Region is comprised of Statistical Area Level 2 (SA2) regions as defined in the Australian Statistical Geography Standard (ASGS) 2011. For information on the SA2, go to the ABS website at: www.abs.gov.au/AUSSTATS/abs@.nsf/DetailsPage/1270.0.55.001July%202011?OpenDocument
