

Projects Approved in September 2009 - SA

The **Kokatha Mula Land Nations Council Incorporated** will engage a consultant to provide assistance to develop the organisation.

The **Narungga Nation** will develop a Regional Partnership Agreement to identify opportunities for economic and Caring for Country activities which will benefit the wider Aboriginal population residing on the Yorke Peninsula. Key partners in this project include FaHCSIA, the State Government of South Australia and the Australian Government.

The **Ngarrindjeri Ruwe Contracting Labor-Hire Company** will employ a labour hire coordinator and support 40 direct employment places and one traineeship position over the next two years. This project will lead to ongoing employment opportunities for Indigenous job seekers across the Ngarrindjeri Lands.
