Indigenous Students Guide

The *Indigenous students' guide to postgraduate scholarships in Australia and overseas* is an easy-to-use guide to over 120 scholarships across a range of disciplines - architecture, the arts, business, education, engineering, government, health, humanities, IT and law.

The Guide provides comprehensive information on each scholarship – including location, financial entitlements, eligibility, selection criteria and the application process.

Personal stories from successful Indigenous postgraduates about what their studies have meant to them, along with helpful advice and tips, will help you decide whether postgraduate study is for you.
