

Why do people tease?

People tease for many reasons. They might do it to make themselves look clever or maybe to make you cry or get angry.

1. Learn the poem and find out some helpful things you can do if someone teases you.

Teasing

If you call me names,

I will not cry.

If you laugh at me,

I'll walk on by.

If you pick on me,

I will not fight.

Soon you'll find out

That I'm all right!

'I'm all right!'

Remember: It is not your fault if someone teases you.
People who tease have to learn to stop!
